

## SCHEDULE TWO - ANNEX UK NON-GEOGRAPHIC CALL SERVICE OUTPAYMENT RATES

The following rates will be applied to your account from the date this document is signed and supersedes any and all rates previously provided.

No outpayments are available for calls generated outside of the UK. Outpayments are not paid, and none is due in any month where the amount due would be less than £100. Outpayments on 084 and 087 ranges are capped at £40 per call.

The Customer agrees not to share with its End Users any revenue and/or outpayments obtained from Magrathea from providing a Personal Numbering Service. Such revenue share would contravene Ofcom's Guidance on the Acceptable Use of 070 Numbers.

### OUTPAYMENT RATES:

|   | Peak (£)                | Evening (£)             | Weekend (£)             |
|---|-------------------------|-------------------------|-------------------------|
| 0845 (5p/min)                                     | 0.025                   | 0.025                   | 0.025                   |
| 0870 (5p/min)                                     | 0.025                   | 0.025                   | 0.025                   |
| 0871 (6p/min)                                     | 0.03                    | 0.03                    | 0.03                    |
| 0871 (7p/min)                                     | 0.035                   | 0.035                   | 0.035                   |
| 0871 (8p/min)                                     | 0.04                    | 0.04                    | 0.04                    |
| 0871 (9p/min)                                     | 0.045                   | 0.045                   | 0.045                   |
| 0871 (10p/min)                                    | 0.05                    | 0.05                    | 0.05                    |
| 0871 (10p/call and 10p/min)*                      | 0.04/call,<br>0.03/min  | 0.04/call,<br>0.03/min  | 0.04/call,<br>0.03/min  |
| 0844 (2p/min)                                     | 0.005                   | 0.005                   | 0.005                   |
| 0844 (3p/min)                                     | 0.015                   | 0.015                   | 0.015                   |
| 0844 (4p/min)                                     | 0.02                    | 0.02                    | 0.02                    |
| 0844 (5p/min)                                     | 0.025                   | 0.025                   | 0.025                   |
| 0844 (5p/call and 5p/min)*                        | 0.02/call &<br>0.01/min | 0.02/call &<br>0.01/min | 0.02/call &<br>0.01/min |
| 070 (pn-e)  | 0.01                    | 0.01                    | 0.01                    |
| 070 (pn-k)  | 0.14                    | 0.10                    | 0.04                    |

| 070 (pn-4)  | 0.12                    | 0.12                    | 0.12                    |
| 080 (Freephone) Call originating from landline**  | -0.012                  | -0.01                   | 0.01                    |
| 080 (Freephone) Call originating from mobile**/** | -0.025                  | -0.025                  | -0.025                  |

\* Per minute revenue applies after the first 60 seconds.

\*\*Negative value indicates cost to client. Payphone surcharge of 80p per minute applies to calls originating from BT payphones.

\*\*\* We will identify these calls by the network line identity passed to us. All numbers beginning 071-079 will be classified as mobiles for billing purposes.

Peak: 08:00 – 18:00 Hours, Monday to Friday  
 Evening: 00:00 – 06:00 and 18:00 – 24:00 Hours, Monday to Friday  
 Weekend: Saturday and Sunday
