

## SCHEDULE ELEVEN ANNEX

### Carrier Pre-Selection Price List

#### SET UP CHARGES

**Initial Setup Charge = £500**

#### ONGOING CHARGES

**Minimum Commitment: £100 per month**

Magrathea will waive the Minimum Commitment where a Customer already takes a monthly billable service to a minimum value of £100 plus VAT, provided that invoices for such services are paid when due.

\*If WLR and CPS are setup simultaneously we will charge £150 minimum monthly commitment, this is a £50 discount on the two separate charges.

The Price List in the CPS User Guide details transaction charges and is subject to change in accordance with the terms of this Schedule.

#### CALL CHARGES

The Price List in the CPS User Guide details the current Inbound Call Charges, a preferential rate is available to Customers who use Magrathea to deliver the call through to the PSTN network. Adherence to this commitment will be monitored and where less than 80% of outbound calls are found to be originated on the Magrathea network the higher Inbound Call Charge will be applied immediately. All call charges will be deducted from your prepay account.
