

SCHEDULE THREE ANNEX

IRISH GEOGRAPHIC NUMBERS PRICE LIST

STANDARD RATE	
Price per number:	£0.50 per month
Minimum Commitment:	£100 per month*

The Customer shall ensure that for all Irish Geographic Numbers allocated they satisfy themselves that the End User has an address within the relevant geographic area for the allocation and that records proving that such an address has been obtained and validated are made available on demand. Failure to carry out checks or to make records available will result in the immediate termination of services provided under this Schedule.

Call Charges and Outpayments:

Magrathea will not charge the Customer for inbound calls to the Service Numbers. Magrathea will not make outpayments to the Customer in respect of calls to the Service Numbers.

****Customers who also take UK wholesale geographic numbers under Schedule 3 of the TSA can share the minimum commitment between both number types.***
