24 HOUR EMERGENCY OPERATOR CONTACT

Where a call is forwarded to the Customer's 24 Hour Response Line due to missing or invalid data being submitted to Magrathea, Magrathea will charge £20 per call.

ADMINISTRATION COSTS FOR CORRECTION OF MISSING OR INVALID DATA

Where a query is received by Magrathea from BT or the Emergency Handling Authority for one of the following issues, Magrathea will charge £20 per incidence:

- Incomplete or invalid End User data submitted via our NTS API to the EHA.
- Call made to 112/999 where incomplete or invalid address data has been submitted for the CLI presented.
- Call made to 112/999 where a valid CLI is not presented.

All rates and charges are exclusive of VAT
