

Magrathea Client Portal and RESTAPI Access Agreement

Using the Magrathea Client Portal or RESTAPI you can view the details that we hold for you, access information on our services and make simple changes to your account. Via the username, you can control and define what information members of your organisation can access. Access can be given at different levels.

By signing this Agreement, the Customer agrees to take all sensible measures and precautions to prevent access to the Client Portal or RESTAPI by unauthorised persons or third parties. The Customer agrees that they shall be liable for any changes made to their account/s via the Client Portal or RESTAPI from any session that presents to Magrathea with the Customer's username and password.

Please fill in one Access Agreement per user and tick the boxes that apply.

Username - Magrathea will try to give you the username you request but if this is not possible we will choose one similar and confirm this by email with your password. (Min 8, max 10 characters.)	Username:
Account Admin - Gives the user access to view the account details we hold, check your account balance and last few CDRs. Tick box if required:	<input type="checkbox"/>
Balance Transfer permission - Gives the user the right to make balance transfers and tariff changes on their accounts. Tick box if required:	<input type="checkbox"/>
Porting permission – Gives the user access to submit and view Single line Ports. Tick box if required:	<input type="checkbox"/>
999 Permissions- Gives the user access to submit and view 999 address data. Tick box if required:	<input type="checkbox"/>
IP Authorisation – gives the user access to view and manage which IPs are authorised to send calls via SIP through your account.	<input type="checkbox"/>

Acceptance: We accept these terms for access to the Client Portal and RESTAPI.
