

## Geographic Numbering Trial Package

I acknowledge the following conditions of supply for the UK geographic numbering trial package:

- 1) This service is only to be used to test equipment and services
- 2) If used with end-user consumers will only be used as part of a service trial where end-users understand that they are part of a trial
- 3) Under no circumstances will the service be used as part of a Publically Available Telephone Service (PATS)
- 4) No number will accept more than 2 concurrent calls
- 5) Due to its trial status there is no obligation to provide number portability with this service.
