## Restrictions & Guidance Notes

Please refer to the Ofcom Numbering Plan for definitions and interpretations

### **Location Independent Electronic Communications Service:**

- Numbers are not to be used for number translation to a Geographic number or to a Mobile service.

### **Personal Number:**

- 070 numbers may be used for services based on number translation that enables End-Users to be called or otherwise contacted, using a single Personal Telephone Number, and to receive those calls or other communications at almost any Telephone Number, including Mobile Numbers.
- Personal Numbers must not be used for Premium Rate Services (as defined in the Ofcom Numbering Plan).
- Service Providers must not share with End-Users any revenue obtained from providing a Personal Numbering Service.

- The Personal Numbering Service must benefit the person being called and therefore the target number must be controlled by the person being called and they must be aware of this.
- For the full Ofcom guidelines visit [http://www.ofcom.org.uk/telecoms/ioi/numbers/num\\_070\\_guide](http://www.ofcom.org.uk/telecoms/ioi/numbers/num_070_guide)
